SEA COAST PATENT AND TRADEMARK SECURITY AGREEMENT

This **SEA COAST PATENT AND TRADEMARK SECURITY AGREEMENT** (this "**Agreement**") is dated as of March 31, 1999 and entered into by and among **AURORA FOODS INC. ("Company")**, a Delaware corporation, **SEA COAST FOODS, INC.**, a Washington corporation ("Sea Coast"; each of Company and Sea Coast being referred to herein as a "**Grantor**"; provided that after the Effective Date, "**Grantors**" shall mean and include Company, Sea Coast and any Additional Grantors (as hereinafter defined)), and **THE CHASE MANHATTAN BANK**, as administrative agent for and representative of (in such capacity herein called "**Secured Party**") the financial institutions ("**Lenders**") party to the Credit Agreement referred to below and any Interest Rate Exchangers (as hereinafter defined).

PRELIMINARY STATEMENTS

(1) Pursuant to that certain Fourth Amended and Restated Credit Agreement dated as of March 31, 1999 (said Fourth Amended and Restated Credit Agreement, as it may hereafter be amended, restated, supplemented or otherwise modified from time to time, being the "**Credit Agreement**", the terms defined therein and not otherwise defined herein being used herein as therein defined) by and among Company, Lenders, Secured Party, as Administrative Agent, National Westminster Bank PLC, as Syndication Agent, and UBS AG, Stamford Branch, as Documentation Agent, Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Company.

(2) Company may from time to time enter, or may from time to time have entered, into one or more Interest Rate Agreement (collectively, the "**Lender Interest Rate Agreements**") with one or more Lenders or their Affiliates (in such capacity, collectively, "**Interest Rate Exchangers**") in accordance with the terms of the Credit Agreement, and it is desired that the obligations of Company under the Lender Interest Rate Agreements, including without limitation the obligation of Company to make payments thereunder in the event of early termination thereof (all such obligations being the "**Interest Rate Obligations**"), together with all obligations of Company under the Credit Agreement and the other Loan Documents, be secured hereunder.

(3) Sea Coast has executed and delivered and Additional Grantors shall execute and deliver counterparts to that certain Subsidiary Guaranty (said Subsidiary Guaranty, as it may be amended, restated, supplemented or otherwise modified from time to time, being the "**Subsidiary Guaranty**") in favor of

Secured Party for the benefit of Lenders and any Interest Rate Exchangers, pursuant to which Sea Coast and each Additional Grantor shall guaranty the prompt payment and performance when due of all obligations of Company under the Credit Agreement and the other Loan Documents and all obligations of Company under the Lender Interest Rate Agreements, including without limitation the obligation of Company to make payments thereunder in the event of early termination thereof.

(4) Grantors own and use in their business, and will in the future adopt and so use, various intangible assets, including trademarks, service marks, designs, logos, indicia, trade names, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto (collectively, the **"Trademarks"**).

(5) Secured Party desires Grantors to assign and grant to it a lien on and security interest in all of Grantors' existing and future Trademarks, all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (the **"Registrations"**), all common law and other rights in and to the Trademarks in the United States and any state thereof and in foreign countries (the **"Trademark Rights"**), all goodwill of Grantors' business symbolized by the Trademarks and associated therewith, including without limitation the documents and things described in Section 1(b) (the **"Associated Goodwill"**), and all proceeds of the Trademarks, the Registrations, the Trademark Rights and the Associated Goodwill, and Grantors agree to assign and grant to Secured Party a secured and protected interest in the Trademarks, the Registrations, the Trademark Rights, the Associated Goodwill and all the proceeds thereof as provided herein.

(6) Pursuant to the Security Agreement, each Grantor has assigned and granted to Secured Party a lien on and security interest in, among other assets, all Grantors' equipment, inventory, accounts and general intangibles relating to the products and services sold or delivered under or in connection with the Trademarks such that, upon the occurrence and during the continuation of an Event of Default (as defined in the Credit Agreement) or the occurrence of an Early Termination Date (as defined in a Master Agreement or an Interest Rate Swap Agreement or Interest Rate and Currency Exchange Agreement in the form prepared by the International Swap and Derivatives Association Inc. or a similar event under any similar swap agreement) under any Lender Interest Rate Agreement (either such occurrence being an **"Event of Default"** for purposes of this Agreement), Secured Party would be able to exercise its remedies consistent with the Security Agreement, this Agreement and applicable law to foreclose upon Grantors' business and use the Trademarks, the Registrations and the Trademark Rights in conjunction with the

continued operation of such business, maintaining substantially the same product and service specifications and quality as maintained by Grantors, and benefit from the Associated Goodwill.

(7) It is a condition precedent to the extensions of credit by Lenders under the Credit Agreement that Grantors shall have assigned and granted the security interests and undertaken the obligations contemplated by this Agreement.

NOW, THEREFORE, in consideration of the premises and in order to induce Lenders to make Loans and other extensions of credit under the Credit Agreement and to induce Interest Rate Exchangers to enter into the Lender Interest Rate Agreements, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each Grantor hereby agrees with Secured Party as follows:

SECTION A. Assignment and Grant of Security.

Each Grantor hereby grants to Secured Party a security interest in all of such Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the "**Collateral**"):

(a) each of the Trademarks and rights and interests in Trademarks which are presently, or in the future may be, owned or held (whether pursuant to a license or otherwise) by such Grantor, in whole or in part (including without limitation the Trademarks specifically identified in Schedule I annexed hereto, as the same may be amended pursuant hereto from time to time), and including all Trademark Rights with respect thereto and all federal, state and foreign Registrations therefor heretofore or hereafter granted or applied for, the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend the Trademarks, Registrations and Trademark Rights, the right (but not the obligation) to sue or bring opposition or cancellation proceedings in the name of such Grantor or in the name of Secured Party or otherwise for past, present and future infringements of the Trademarks, Registrations or Trademark Rights and all rights (but not obligations) corresponding thereto in the United States and any foreign country, and the Associated Goodwill; it being understood that the rights and interests included herein shall include, without limitation, all rights and interests pursuant to licensing or other contracts in favor of such Grantor pertaining to the Trademarks, Registrations or Trademark Rights presently or in the future owned or used by third parties but, in the case of third parties which are not Affiliates of such Grantor, only to the extent permitted by

such licensing or other contracts or otherwise permitted by applicable law and, if not so permitted under any such contracts and applicable law, only with the consent of such third parties;

(b) the following documents and things in such Grantor's possession, or subject to such Grantor's right to possession, related to (Y) the production, sale and delivery by such Grantor, or by any Affiliate, licensee or subcontractor of such Grantor, of products or services sold or delivered by or under the authority of such Grantor in connection with the Trademarks, Registrations or Trademark Rights (which products and services shall, for purposes of this Agreement, be deemed to include, without limitation, products and services sold or delivered pursuant to merchandising operations utilizing any Trademarks, Registrations or Trademark Rights); or (Z) any retail or other merchandising operations conducted under the name of or in connection with the Trademarks, Registrations or Trademark Rights by such Grantor or any Affiliate, licensee or subcontractor of such Grantor:

(i) all lists and ancillary documents that identify and describe any of such Grantor's customers, or those of their Affiliates, licensees or subcontractors, for products sold and services delivered under or in connection with the Trademarks or Trademark Rights, including without limitation any lists and ancillary documents that contain a customer's name and address, the name and address of any of its warehouses, branches or other places of business, the identity of the Person or Persons having the principal responsibility on a customer's behalf for ordering products or services of the kind supplied by such Grantor, or the credit, payment, discount, delivery or other sale terms applicable to such customer, together with information setting forth the total purchases, by brand, product, service, style, size or other criteria, and the patterns of such purchases;

(ii) all product and service specification documents and production and quality control manuals used in the manufacture or delivery of products and services sold or delivered under or in connection with the Trademarks or Trademark Rights;

(iii) all documents which reveal the name and address of any source of supply, and any terms of purchase and delivery, for any and all materials, components and services used in the production of products and services sold or delivered under or in connection with the Trademarks or Trademark Rights; and

(iv) all documents constituting or concerning the then current or proposed advertising and promotion by such Grantor or its Affiliates, licensees or subcontractors of products and services sold or delivered under or in connection with the Trademarks or Trademark Rights including, without limitation, all documents which reveal the media used or to be used and the cost for all such advertising conducted within the described period or planned for such products and services; and

(c) all patents and patent applications and rights and interests in patents and patent applications that are presently, or in the future may be, owned, held (whether pursuant to a license or otherwise) or used by such Grantor in whole or in part (including, without limitation, the patents and patent applications listed in Schedule II annexed hereto, as the same may be amended pursuant hereto from time to time), all rights (but not obligations) corresponding thereto (including without limitation the right (but not the obligation) to sue for past, present and future infringements in the name of such Grantor or in the name of Secured Party), and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof (all of the foregoing being collectively referred to as the "**Patents**"); it being understood that the rights and interests assigned hereby shall include, without limitation, all rights and interests pursuant to licensing or other contracts in favor of such Grantor pertaining to any Patent presently or in the future owned, held or used by third parties but, in the case of third parties which are not Affiliates of such Grantor, only to the extent permitted by such licensing or other contracts or otherwise permitted by applicable law and, if not so permitted under any such contracts and applicable law, only with the consent of such third parties;

(d) all books, records, ledger cards, files, correspondence, computer programs, tapes, disks and related data processing software that at any time evidence or contain information relating to any of the Collateral or are otherwise necessary or helpful in the collection thereof or realization thereupon; and

(e) all proceeds, products, rents and profits (including without limitation license royalties and proceeds of infringement suits) of or from any and all of the foregoing Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Collateral. For purposes of this Agreement, the term

"proceeds" includes whatever is receivable or received when Collateral or proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

SECTION B. Security for Obligations.

This Agreement secures, and the Collateral assigned by each Grantor is collateral security for, the prompt payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including without limitation the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a)), of all Secured Obligations with respect to such Grantor.

"Secured Obligations" means

(a) with respect to Company, all obligations and liabilities of every nature of Company now or hereafter existing under or arising out of or in connection with the Credit Agreement and the other Loan Documents and any Lender Interest Rate Agreement, and

(b) with respect to each Sea Coast and each Additional Grantor, all obligations and liabilities of every nature of Sea coast and Additional Grantors now or hereafter existing under or arising out of or in connection with the Subsidiary Guaranty,

in each case together with all extensions or renewals thereof, whether for principal, interest (including without limitation interest that, but for the filing of a petition in bankruptcy with respect to Company, would accrue on such obligations, whether or not a claim is allowed against Company for such interest in the related bankruptcy proceeding), reimbursement of amounts drawn under Letters of Credit, payments for early termination of Lender Interest, Rate Agreements, fees, expenses, indemnities or otherwise, whether voluntary or involuntary, direct or indirect, absolute or contingent, liquidated or unliquidated, whether or not jointly owed with others, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such obligations or liabilities that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from Secured Party or any Lender or Interest Rate Exchanger as a preference, fraudulent transfer or otherwise, and all obligations of every nature of Grantors now or hereafter existing under this Agreement.

SECTION C. Grantors Remain Liable.

Anything contained herein to the contrary notwithstanding, (a) each Grantor shall remain liable under any

contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Secured Party of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral, and (c) Secured Party shall not have any obligation or liability under any contracts and agreements included in the Collateral by reason of this Agreement, nor shall Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

SECTION D. Representations and Warranties.

Each Grantor represents and warrants as of the date it becomes a party hereto as follows:

(a) **Ownership of Collateral.** Except as expressly permitted by the Credit Agreement and for the security interest assigned and created by this Agreement, such Grantor is the legal and beneficial owner of the entire right, title and interest in and to (i) each Material Trademark Property (as defined in subsection 4(b) of this Agreement), free and clear of any Lien other than Liens of mechanics, materialmen, attorneys and other similar liens imposed by laws in the ordinary course of business in connection with the establishment, creation or application for Registration of any Trademarks, Registrations or Trademark Rights for sums not yet delinquent or being contested in good faith (such Liens being referred to herein as "**Permitted Trademark Liens**"), and (ii) each Material Patent (as defined in subsection 4(b) of this Agreement), free and clear of any Lien other than Liens of mechanics, materialmen, attorneys and other similar liens imposed by law in the ordinary course of business in connection with the establishment, creation or application for any Patent for sums not yet delinquent or being contested in good faith (such Liens being referred to herein as "**Permitted Patent Liens**"). Except such as may have been filed in favor of Secured Party relating to this Agreement, no effective financing statement or other instrument similar in effect covering all or any part of the Collateral is on file in any filing or recording office, including the United States Patent and Trademark Office.

(b) **Description of Collateral.** A true and complete list of all Trademarks, Registrations and Trademark Rights owned or held (whether pursuant to a license or otherwise) by such Grantor, in whole or in part, as of the date such Grantor has entered into this Agreement is set forth in Schedule I annexed hereto. Each Trademark, Registration or Trademark Right designated on Schedule I annexed hereto as a

Material Trademark Property, and each other Trademark, Registration or Trademark Right hereafter arising or otherwise owned or held by any Grantor that is material to any of such Grantor's business or operations is referred to herein as a **"Material Trademark Property"**. A true and complete list of all Patents owned or held (whether pursuant to a license or otherwise) by such Grantor, in whole or in part, as of the date such Grantor has entered into this Agreement is set forth in Schedule II annexed hereto. Each Patent designated on Schedule II annexed hereto as a Material Patent and each other Patent hereafter arising or otherwise owned or held by such Grantor that is material to any of such Grantor's business or operations is referred to herein as a **"Material Patent"**.

(c) **Validity and Enforceability of Collateral.** To the knowledge of Grantors, each Material Trademark Property and each Material Patent is valid, subsisting and enforceable. As of the date each Grantor has entered into this Agreement, such Grantor is not aware of any pending or threatened claim by any third party that any Material Trademark Property or any Material Patent is invalid or unenforceable or that the use of any Material Trademark Property or any Material Patent violates the rights of any third person or of any basis for any such claim, and there is no such pending or threatened claim whether arising prior to or after the Effective Date, that could reasonably be expected to have a Material Adverse Effect.

(d) **Office Locations.** The chief place of business, the chief executive office and the office where such Grantor keeps its records regarding the Collateral is at the locations set forth on Schedule III annexed hereto.

(e) **Names.** No Grantor has in the past done, and no Grantor now does, business under any other name (including any trade name or fictitious business name) except under the names listed on Schedule IV annexed hereto.

(f) **Perfection.** The security interests in the Collateral granted to Secured Party for the ratable benefit of the Lenders and Interest Rate Exchangers hereunder constitute valid security interests in the Collateral. Upon the filing of UCC financing statements naming each Grantor as "debtor", naming Secured Party as "secured party" and describing the Collateral in the filing offices set forth on Schedule V annexed hereto and the recording of this Agreement with the United States Patent and Trademark Office, the security interests in the Collateral granted to Secured Party for the ratable benefit of the Lenders and Interest Rate Exchangers will, to the extent a security interest in the Collateral may be perfected by filing UCC financing statements and recording this Agreement,

constitute valid and perfected security interests therein prior to all other Liens (subject only to Permitted Patent Liens and Permitted Trademark Liens).

SECTION E. Further Assurances; New Trademarks, Registrations and Trademark Rights; New Patents and Patent Applications; Certain Inspection Rights.

(a) Each Grantor agrees that from time to time, at the expense of Grantors, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that Secured Party may request, in order to perfect and protect any security interest assigned or purported to be assigned or granted hereby or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor will: (i) at the request of Secured Party, take reasonable steps to indicate that such Collateral is subject to the security interest granted hereby, (ii) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as Secured Party may request, in order to perfect and preserve the security interests granted or purported to be granted hereby, (iii) use its best efforts to obtain any necessary consents of third parties to the assignment and perfection of a security interest to Secured Party with respect to any Collateral, and (iv) at Secured Party's request, appear in and defend any action or proceeding that may materially affect such Grantor's title to or Secured Party's security interest in all or any part of the Collateral.

(b) Each Grantor hereby authorizes Secured Party to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of any Grantor. Each Grantor agrees that a carbon, photographic or other reproduction of this Agreement or of a financing statement signed by such Grantor shall be sufficient as a financing statement and may be filed as a financing statement in any and all jurisdictions.

(c) Each Grantor hereby authorizes Secured Party to modify this Agreement without obtaining such Grantor's approval of or signature to such modification by (i) amending Schedule I annexed hereto to include reference to any right, title or interest in any existing Trademark, Registration or Trademark Right or any Trademark, Registration or Trademark Right acquired or developed by any Grantor after its execution hereof or to delete any reference to any right, title or interest in any Trademark, Registration or Trademark Right in which no Grantor has or claims any right, title or interest, or (ii) amending Schedule II annexed hereto to include reference to any right,

title or interest in any existing Patent or any Patent acquired or developed by any Grantor after its execution hereof or to delete any reference to any right, title or interest in any Patent in which no Grantor has or claims any right, title or interest.

(d) Each Grantor will furnish to Secured Party from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Secured Party may reasonably request, all in reasonable detail.

(e) If any Grantor shall obtain rights to any new Trademarks, Registrations or Trademark Rights, or to any patentable inventions, or become entitled to the benefit of any patent application or patent or any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement in any Patent, the provisions of this Agreement shall automatically apply thereto. Each Grantor shall promptly notify Secured Party in writing of any of the foregoing rights or benefits, including, without limitation, rights to any new Trademarks or Trademark Rights, acquired by such Grantor after the date hereof and of any Registrations issued or applications for Registration made after the date hereof, which notice shall state whether such Trademark, Registration or Trademark Right constitutes a Material Trademark Property or whether such Patent constitutes a Material Patent. Within a reasonable time after the filing of an application for Registration for any Trademark, or an application for any Patent the applicable Grantor shall execute, deliver and record in all places where this Agreement is recorded an appropriate Patent and Trademark Security Agreement, substantially in the form hereof, with appropriate insertions, or an amendment to this Agreement, in form and substance satisfactory to Secured Party, pursuant to which such Grantor shall assign and grant a security interest to the extent of its interest in such Registration or Patent as provided herein to Secured Party unless so doing would, in the reasonable judgment of such Grantor, after due inquiry, result in the grant of a Patent or Registration in the name of Secured Party, in which event such Grantor shall give written notice to Secured Party as soon as reasonably practicable and the filing shall instead be undertaken as soon as practicable but in no case later than immediately following the grant of such Patent or Registration.

(f) Each Grantor hereby grants to Secured Party and its employees, representatives and agents the right to visit such Grantor's and any of its Affiliate's or subcontractor's plants, facilities and other places of business that are utilized in connection with the manufacture, production, inspection, storage or sale of products and services sold or delivered under any of the Patents, Trademarks, Registrations or Trademark Rights (or which were so utilized during the prior six month period), and to

inspect the quality control and all other records relating thereto upon reasonable notice to such Grantor and as often as may be reasonably requested.

SECTION F. Certain Covenants of Grantors.

Each Grantor shall:

(a) not use or permit any Collateral to be used unlawfully or in violation of any provision of this Agreement or any applicable statute, regulation or ordinance or any policy of insurance covering the Collateral;

(b) notify Secured Party of any change in such Grantor's name, identity or corporate structure within 15 days of such change;

(c) give Secured Party 30 days' prior written notice of any change in such Grantor's chief place of business or chief executive office or the office where such Grantor keeps its records regarding the Collateral;

(d) pay promptly when due all property and other taxes, assessments and governmental charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Collateral, except to the extent the validity thereof is being contested in good faith; provided that such Grantor shall in any event pay such taxes, assessments, charges, levies or claims not later than five days prior to the date of any proposed sale under any judgment, writ or warrant of attachment entered or filed against such Grantor or any of the Collateral as a result of the failure to make such payment;

(e) not sell, assign (by operation of law or otherwise) or otherwise dispose of any of the Collateral, except as permitted by the Credit Agreement;

(f) except for Permitted Patent Liens and Permitted Trademark Liens and the security interest assigned and created by this Agreement, not create or suffer to exist any Lien upon or with respect to any of the Collateral to secure the indebtedness or other obligations of any Person;

(g) diligently keep reasonable records respecting the Collateral assigned by it hereunder and at all times keep at least one complete set of its records concerning substantially all of the Patents, Trademarks, Registrations and Trademark Rights at its chief executive office or principal place of business;

(h) not permit the inclusion in any contract to which it becomes a party of any provision that could or might in

any way conflict with this Agreement or impair or prevent the assignment and creation of a security interest in any Grantor's rights and interests in any property included within the definitions of any Patents, Trademarks, Registrations, Trademark Rights and Associated Goodwill acquired;

(i) use proper statutory notice in connection with its use of each Material Patent and Material Trademark Property to the extent reasonably necessary for the protection of such Material Patent or Material Trademark Property;

(j) use consistent standards of quality (which may be consistent with such Grantor's past practices) in the manufacture, sale and delivery of products and services sold or delivered under or in connection with the Trademarks, Registrations and Trademark Rights, including, to the extent applicable, in the operation and maintenance of its retail stores and other merchandising operations; and

(k) upon any officer of such Grantor obtaining knowledge thereof, promptly notify Secured Party in writing of any event that may materially and adversely affect the value of the Collateral or any portion thereof, the ability of any Grantor or Secured Party to dispose of the Collateral or any portion thereof, or the rights and remedies of Secured Party in relation thereto, including without limitation the levy of any legal process against the Collateral or any portion thereof

SECTION G. Amounts Payable in Respect of the Collateral.

Except as otherwise provided in this Section 7, each Grantor shall continue to collect, at its own expense, all amounts due or to become due to Grantors in respect of the Collateral or any portion thereof. In connection with such collections, each Grantor may take (and, at Secured Party's direction, shall take) such action as such Grantor or Secured Party may deem necessary or advisable to enforce collection of such amounts; provided, however, that Secured Party shall have the right at any time, upon the occurrence and during the continuation of an Event of Default or a Potential Event of Default and upon written notice to such Grantor of its intention to do so, to notify the obligors with respect to any such amounts of the existence of the security interest assigned and created hereby, and to direct such obligors to make payment of all such amounts directly to Secured Party, and, upon such notification and at the expense of Grantors, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by such Grantor of the notice from Secured Party referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including

checks and other instruments) received by such Grantor in respect of amounts due to such Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of Secured Party hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to Secured Party in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 14, and (ii) such Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

SECTION H. Patent or Trademark Applications and Litigation.

(a) Each Grantor shall have the duty diligently to prosecute any trademark application relating to any Material Trademark Property that is pending as of the date such Grantor has entered into this Agreement, to make federal application on any existing or future registerable but unregistered Material Trademark Property (whenever it is commercially reasonable in the reasonable judgement of such Grantor to do so), and to file and prosecute opposition and cancellation proceedings, renew Registrations and do any and all acts which are necessary or desirable to preserve and maintain all rights in all Material Trademark Properties. Any expenses incurred in connection therewith shall be borne solely by Grantors. No Grantor shall abandon any Material Trademark Property unless it is commercially reasonable in the judgment of such Grantor to do so.

(b) Each Grantor shall have the duty diligently to prosecute any patent application relating to any Material Patent that is pending as of the date such Grantor has entered into this Agreement and to do any and all acts which are necessary or desirable to preserve and maintain all rights in all Material Patents. Any expenses incurred in connection therewith shall be borne solely by Grantors. Each Grantor shall not, as to any patentable invention or Patent that constitutes or could constitute a Material Patent, abandon any pending patent application or any Patent without the prior written consent of Secured Party.

(c) Except as provided in Section 8(e), each Grantor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions for infringement, unfair competition, dilution or other damage as are in its reasonable business judgment necessary to protect the Collateral. Secured Party shall provide, at Grantor's expense, all reasonable and necessary cooperation in connection with any such suit, proceeding or action including, without limitation, joining as a necessary party.

(d) Each Grantor shall promptly, following its becoming aware thereof, notify Secured Party of the institution of, or of any adverse determination in, any proceeding (whether in the United States Patent and Trademark Office or any federal, state, local or foreign court) described in subsection 8(a), 8(b) or 8(c) or regarding such Grantor's claim of ownership in or right to use any of the Trademarks, Registrations or Trademark Rights, its right to register the same, or its right to keep and maintain such Registration. Such Grantor shall provide to Secured Party any information with respect thereto requested by Secured Party.

(e) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Event of Default, Secured Party shall have the right (but not the obligation) to bring suit, in the name of any Grantor, Secured Party or otherwise, to enforce any Patent, Trademark, Registration, Trademark Right and any license thereunder and to enforce its rights hereunder in Associated Goodwill, in which event each Grantor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement and each Grantor shall promptly, upon demand, reimburse and indemnify Secured Party as provided in Section 15 in connection with the exercise of its rights under this Section 8. To the extent that Secured Party shall elect not to bring suit to enforce any Patent, Trademark, Registration, Trademark Right or any license thereunder or to enforce its rights hereunder in Associated Goodwill as provided in this Section 8(e), each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement of any of the Patents, Trademarks, Registrations or Trademark Rights or of Grantors' or Secured Party's rights in Associated Goodwill by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing necessary to prevent such infringement.

SECTION I. Non-Disturbance Agreements, etc.

If and to the extent that any Grantor is permitted to license the Collateral, Secured Party shall enter into a non-disturbance agreement or other similar arrangement, at Grantors' request and expense, with such Grantor and any licensee of any Collateral permitted hereunder in form and substance satisfactory to Secured Party pursuant to which (a) Secured Party shall agree not to disturb or interfere with such licensee's rights under its license agreement with such Grantor so long as such licensee is not in default thereunder and (b) such licensee shall acknowledge and agree that the Collateral licensed to it is subject to the security interest assigned and created in favor of Secured Party and the other terms of this Agreement.

SECTION J. Secured Party Appointed Attorney-in-Fact.

Each Grantor hereby irrevocably appoints Secured Party as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, Secured Party or otherwise, from time to time in Secured Party's discretion to take any action and to execute any instrument that Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation:

(a) upon the occurrence and during the continuance of an Event of Default, to endorse such Grantor's name on all applications, documents, papers and instruments necessary for Secured Party in the use or maintenance of the Collateral;

(b) upon the occurrence and during the continuance of an Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of an Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of an Event of Default, to file any claims or take any action or institute any proceedings that Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of Secured Party with respect to any of the Collateral;

(e) to pay or discharge taxes or Liens (other than Liens permitted under this Agreement or the Credit Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Secured Party in its sole discretion, any such payments made by Secured Party to become obligations of such Grantor to Secured Party, due and payable immediately without demand; and

(f) upon the occurrence and during the continuance of an Event of Default, (i) to execute and deliver any of the assignments or documents requested by Secured Party pursuant to Section 13(b), (ii) to grant or issue an exclusive or non-exclusive license to the Collateral or any portion thereof to any Person, and (iii) otherwise generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner

thereof for all purposes, and to do, at Secured Party's option and Grantors' expense, at any time or from time to time, all acts and things that Secured Party deems necessary to protect, preserve or realize upon the Collateral and Secured Party's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

SECTION K. Secured Party May Perform.

If any Grantor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the expenses of Secured Party incurred in connection therewith shall be payable by such Grantor under Section 15.

SECTION L. Standard of Care.

The powers conferred on Secured Party hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for monies actually received by it hereunder, Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own property of a similar nature.

SECTION M. Remedies.

If any Event of Default shall have occurred and be continuing:

(a) Secured Party may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code as in effect in any relevant jurisdiction (the "**Code**") (whether or not the Code applies to the affected Collateral), and also may (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of Secured Party forthwith, assemble all or part of the Collateral as directed by Secured Party and make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties, (ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process, (iii) prior to the disposition of the Collateral, store the Collateral or

otherwise prepare the Collateral for disposition in any manner to the extent Secured Party deems appropriate, (iv) take possession of any Grantor's premises or place custodians in exclusive control thereof, remain on such premises and use the same for the purpose of taking any actions described in the preceding clause (iii) and collecting any Secured Obligation, (v) exercise any and all rights and remedies of Grantors under or in connection with the contracts related to the Collateral or otherwise in respect of the Collateral, including without limitation any and all rights of Grantors to demand or otherwise require payment of any amount under, or performance of any provision of, such contracts, and (vi) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Secured Party's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as Secured Party may deem commercially reasonable. Secured Party or any Lender or Interest Rate Exchanger may be the purchaser of any or all of the Collateral at any such sale and Secured Party, as agent for and representative of Lenders and Interest Rate Exchangers (but not any Lender or Lenders or Interest Rate Exchanger or Interest Rate Exchangers in its or their respective individual capacities unless Requisite Obligees (as defined in Section 17(a)) shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by Secured Party at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against Secured Party arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if Secured Party

accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be jointly and severally liable for the deficiency and the fees of any attorneys employed by Secured Party to collect such deficiency.

(b) Upon written demand from Secured Party, each Grantor shall execute and deliver to Secured Party an assignment or assignments of the Patents, Trademarks, Registrations, Trademark Rights and the Associated Goodwill and such other documents as are requested by Secured Party. Each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that Secured Party (or any Lender) receives cash proceeds in respect of the sale of, or other realization upon, the Collateral.

(c) Within five Business Days after written notice from Secured Party, each Grantor shall make available to Secured Party, to the extent within each applicable Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as Secured Party may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with the Patents, Trademarks, Registrations and Trademark Rights, such persons to be available to perform their prior functions on Secured Party's behalf and to be compensated by Secured Party at Grantors' expense on a per diem, pro rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default.

SECTION N. Application of Proceeds.

Except as expressly provided elsewhere in this Agreement, all proceeds received by Secured Party in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied as provided in subsection 2.4D of the Credit Agreement.

SECTION O. Indemnity and Expenses.

(a) Grantors jointly and severally agree to indemnify Secured Party, each Lender and each Interest Rate Exchanger from and against any and all claims, losses and liabilities in any way relating to, growing out of or resulting from this Agreement and the transactions contemplated hereby (including without limitation enforcement of this Agreement), except to the extent such claims, losses or liabilities result solely from Secured

Party's or such Lender's or Interest Rate Exchanger's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction.

(b) Grantors jointly and severally agree to pay to Secured Party upon demand the amount of any and all costs and expenses, including the reasonable fees and expenses of its counsel and of any experts and agents, that Secured Party may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of Secured Party hereunder, or (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

(c) The obligations of Grantors in this Section 15 shall survive the termination of this Agreement and the discharge of Grantors' other obligations under this Agreement, the Interest Rate Agreements, the Credit Agreement and the other Loan Documents.

SECTION P. Continuing Security Interest; Transfer of Loans.

This Agreement shall assign and create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the payment in full of the Secured Obligations, the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Letters of Credit, (b) be binding upon Grantors and their respective successors and assigns, and (c) inure, together with the rights and remedies of Secured Party hereunder, to the benefit of Secured Party and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), but subject to the provisions of subsection 10.1 of the Credit Agreement, any Lender may assign or otherwise transfer any Loans held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to Lenders herein or otherwise. Upon the payment in full of all Secured Obligations, the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Letters of Credit, the security interest assigned and granted hereby shall terminate and all rights to the Collateral shall revert to the applicable Grantors. Upon any such termination Secured Party will, at Grantors' expense, execute and deliver to Grantors such documents as Grantors shall reasonably request to evidence such termination.

SECTION Q. Secured Party as Administrative Agent.

(a) Secured Party has been appointed to act as Secured Party hereunder by Lenders and, by their acceptance of the benefits hereof, Interest Rate Exchangers. Secured Party shall be obligated, and shall have the right hereunder, to make

demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including without limitation the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement; provided that Secured Party shall exercise, or refrain from exercising, any remedies provided for in Section 13 in accordance with the instructions of (i) Requisite Lenders or (ii) after payment in full of all Obligations under the Credit Agreement and the other Loan Documents, the holders of a majority of the aggregate notional amount (or, with respect to any Lender Interest Rate Agreement that has been terminated in accordance with its terms, the amount then due and payable (exclusive of expenses and similar payments but including any early termination payments then due) under such Lender Interest Rate Agreement) under all Lender Interest Rate Agreements (Requisite Lenders or, if applicable, such holders being referred to herein as **"Requisite Obligees"**). In furtherance of the foregoing provisions of this Section 17(a), each Interest Rate Exchanger, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Interest Rate Exchanger that all rights and remedies hereunder may be exercised solely by Secured Party for the benefit of Lenders and Interest Rate Exchangers in accordance with the terms of this Section 17(a).

(b) Secured Party shall at all times be the same Person that is Administrative Agent under the Credit Agreement. Written notice of resignation by Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute notice of resignation as Secured Party under this Agreement; removal of Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute removal as Secured Party under this Agreement; and appointment of a successor Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute appointment of a successor Secured Party under this Agreement. Upon the acceptance of any appointment as Administrative Agent under subsection 9.5 of the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Secured Party under this Agreement, and the retiring or removed Secured Party under this Agreement shall promptly (i) transfer to such successor Secured Party all sums, securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Secured Party under this Agreement, and (ii) execute and deliver to such successor Secured Party such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Secured Party of the security interests created hereunder, whereupon such retiring or removed

Secured Party shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Administrative Agent's resignation or removal hereunder as Secured Party, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Secured Party hereunder.

SECTION R. Amendments; Etc.

No amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by Secured Party and, in the case of any such amendment or modification, by Grantors; provided that any amendment hereto pursuant to Section 21 or Section 5(c) shall be effective upon execution by any Additional Grantor and Grantors hereby waive any requirement of notice of or consent to any such amendment. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

SECTION S. Notices.

Any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telexed or sent by telefacsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service, upon receipt of telefacsimile or telex (with received answerback), or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed; provided that notices to Secured Party shall not be effective until received. For the purposes hereof, the address of each party hereto shall be provided in subsection 10.8 of the Credit Agreement or as set forth under such party's name on the signature pages hereof or such other address as shall be designated by such party in a written notice delivered to the other parties hereto.

SECTION T. Failure or Indulgence Not Waiver; Remedies Cumulative.

No failure or delay on the part of Secured Party in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION U. Additional Grantors.

From time to time subsequent to the date hereof, Subsidiaries of Company may become parties hereto as additional Grantors (each an **"Additional Grantor"**) by executing an acknowledgement to this Agreement substantially in the form of Schedule VI annexed hereto. Upon delivery of any such acknowledgment to Administrative Agent and Secured Party, notice of which is hereby waived by Grantors, each such Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Administrative Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION V. Severability.

In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION W. Headings.

Section and subsection headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

SECTION X. Governing Law; Terms; Rules of Construction.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING WITHOUT LIMITATION SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, EXCEPT TO THE EXTENT THAT THE CODE PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK. Unless otherwise defined herein or in the Credit Agreement, terms used in Articles 8 and 9 of the Uniform Commercial Code in the State of New York are used herein as therein defined. The rules of construction set forth in subsection 1.3 of the Credit Agreement shall be applicable to this Agreement *mutatis mutandis*.

SECTION Y. Consent to Jurisdiction and Service of Process.

ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY GRANTOR ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR ANY OBLIGATIONS HEREUNDER, MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH GRANTOR, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (I) ACCEPTS GENERALLY AND UNCONDITIONALLY THE NONEXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS; (II) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (III) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO SUCH GRANTOR AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 19; (IV) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (III) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER SUCH GRANTOR IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; (V) AGREES THAT SECURED PARTY RETAINS THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST SUCH GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION; AND (VI) AGREES THAT THE PROVISIONS OF THIS SECTION 25 RELATING TO JURISDICTION AND VENUE SHALL BE BINDING AND ENFORCEABLE TO THE FULLEST EXTENT PERMISSIBLE UNDER NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1402 OR OTHERWISE.

SECTION Z. Waiver of Jury Trial.

GRANTORS AND SECURED PARTY HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including without limitation contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. Each Grantor and Secured Party acknowledge that this waiver is a material inducement for Grantors and Secured Party to enter into a business relationship, that Grantors and Secured Party have already relied on this waiver in entering into this Agreement and that each will continue to rely on this waiver in their related future dealings. Each Grantor and Secured Party further warrant and represent that each has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. **THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 26 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.** In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

SECTION AA. Counterparts.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.
